

Senior Strategic Sourcer (m/f)

IT / Digital Solutions (IOT/AI/BI/Security)

ISSY-LES-MOULINEAUX

WORKING FOR BUYIN

Founded in 2011 by Deutsche Telekom and Orange, BuyIn delivers strategic procurement services combining more than 25 billion euros of annual spend. This leads to sustainable economies of scale and savings based on analytics and benchmarks across millions of price points in 40+ markets.

At BuyIn, Information Technology (IT) bundles global responsibility for strategic sourcing for the internal IT demand of its members as well as for the demand for their respective business customer solutions.

YOUR RESPONSIBILITIES

As a Senior Strategic Sourcer, you will support procurement projects of medium and high complexity at corporate and local level as well as the relationship with selected suppliers. You will drive the execution of the implemented global category strategy (in IOT, AI, BI or Security) and define/execute project strategies. You are also contributing to the achievement of targets and provide continued support to countries on signed deals during the whole contract duration.

This includes the following duties:

- Analyze & manage the countries demands as set out in the Demand Plan Tool
- Support the global/local projects in close alignment with stakeholders (esp. Group Technology, Group Marketing, Business units)
- Define/execute cost optimization levers & realization plans
- Perform active contract controlling
- Implement watch of innovative technology environment

YOUR PROFILE

You hold a University degree or MBA in the area of Procurement, Business Administration, Economics, Business Information Technology or a qualification of the same level.

You also possess the following skills and experience:

- Experience in procurement of +5 years
- Good knowledge of telecommunication or IT technologies
- Interest in innovation & technology (AI, IOT, etc.)
- Experience in coordination of large projects in big international organizations & stakeholder management
- Strong knowledge of contract law
- Strong synthetic & analytical skills to select and highlight key facts
- Ability to work autonomously, ability to prioritize tasks
- Customer orientation
- Fluency in English and French, German is a plus

YOUR CHANCE

In our business, we create innovative IT and telecommunications solutions. Flat hierarchies, a medium-sized company structure, simple workflows: BuyIn gives you the opportunity to actively realize your potential in an innovative and flexible working environment.

Join our team – we look forward to hearing from you [[contact martine.garrigues@buyin.pro](mailto:contact.martine.garrigues@buyin.pro)]!

Special Needs candidates will be considered preferentially in case of equal qualification.
