

STRATEGIC SOURCER(m/f) DEVICES & PLATFORMS / DIGITAL HOME DEVICES ISSY-LES-MOULINEAUX

WORKING FOR BUYIN

Founded in 2011 by Deutsche Telekom and Orange, BuyIn delivers strategic procurement services combining more than 25 billion euros of annual spend. This leads to sustainable economies of scale and savings based on analytics and benchmarks across millions of price points in 40+ markets.

The mission of Devices and Platforms is to provide procurement excellence in Customer Equipment procurement including Smartphones, Home Gateways/STBs and IoT Devices and related accessories as well in relevant services platforms as Messaging, IN/Charging, TV and Device Management/IoT platforms..

YOUR RESPONSIBILITIES

As a Strategic Sourcer (m/f) you will lead procurement projects of medium complexity at corporate and local level as well as the relationship with selected suppliers of medium size. You drive the execution of the implemented global category strategy and define/execute project strategies. You are also responsible for the achievement of targets and provide continued support to countries on signed deals during the whole contract duration. This includes the following duties:

- Analyze and manage the countries demands as set out in the Demand Plan Tool
- Lead and manage large strategic procurement projects and global as well as local tenders in close alignment with stakeholders (esp. Group Technology, Group Marketing, Business units).
- Define/execute cost optimization levers and realization plans
- Perform active contract controlling

YOUR PROFILE

You hold a University degree or an MBA in the area of Procurement, Business Administration, Economics, Business Information Technology or a qualification of the same level.

You also possess the following skills and experience:

- Professional experience in procurement of 3+ years minimum
- Very good knowledge of telecommunication or network technologies
- Experience in coordination of large projects in big international organizations and stakeholder management
- Good knowledge of contract law
- Strong synthetic and analytical skills to select and highlight key facts
- Ability to work autonomously, ability to prioritize tasks
- Customer orientation
- Fluency in English and French, German as a plus

YOUR CHANCE

In our business, we create innovative IT and telecommunications solutions. Flat hierarchies, a medium-sized company structure, simple workflows: BuyIn gives you the opportunity to actively realize your potential in an innovative and flexible working environment.

Join our team – we look forward to hearing from you [contact : join.us@buyin.pro]!

Special Needs candidates will be considered preferentially in case of equal qualification.
