

Senior Program & Stakeholder Manager (m/f) INFORMATION TECHNOLOGY (IT)

ISSY-LES-MOULINEAUX

WORKING FOR BUYIN

Founded in 2011 by Deutsche Telekom and Orange, BuyIn delivers strategic procurement services combining more than 25 billion euros of annual spend. This leads to sustainable economies of scale and savings based on analytics and benchmarks across millions of price points in 40+ markets.

At BuyIn, Information Technology (IT) bundles global responsibility for strategic sourcing for the internal IT demand of its members as well as for the demand for their respective business customer solutions.

YOUR RESPONSIBILITIES

As a Senior Program and Stakeholder Manager (m/f) your responsibility will include:

- Coordination of the renewal of the category strategies with the Category Leaders
- Implementation of effective collaboration with key business stakeholders, incl. joint target monitoring, business reviews, demand and negotiation roadmap planning
- Implementation and steering of cross-category and/or cross-functional programs/ initiatives
- Implementation and further development of the supplier management for the sourcing domain
- Optimization of procurement processes and systems
- Analysis of market data from different tools and sources to serve various requests on supplier, sourcing strategy or saving programs perspectives
- Coordination of domain communications
- Working in cross functional and multinational teams

YOUR CHANCE

In our business, we create innovative IT and telecommunications solutions. Flat hierarchies, a medium-sized company structure, simple workflows: BuyIn gives you the opportunity to actively realize your potential in an innovative and flexible working environment.

Join our team – we look forward to hearing from you [[contact martine.garrigues@buyin.pro](mailto:contact.martine.garrigues@buyin.pro)]!

Special Needs candidates will be considered preferentially in case of equal qualification.

YOUR PROFILE

You hold a University degree or an MBA in the area of Procurement, Business Administration, Economics, Business Information Technology or a qualification of the same level.

You also possess the following skills and experience:

- Professional experience in procurement of 5+ years minimum
- Excellent analytical skills and ability to think out of the box
- Result-oriented, highly motivated and well-organized
- Ability to work independently and quick adaptation to new and challenging tasks
- Proactive behaviour and professional communication
- Ability to work under pressure and to cope with short-term assignments
- Fluency in English and French
